## alt:V Multiplayer

### Client Agreement

alt:V Multiplayer developed by altMP Team, henceforth and also known as "alt:V", is a multiplayer modification that offers end users the possibility to play Grand Theft Auto, also known as "GTA V", on custom dedicated servers utilizing custom built gamemodes.

By using this multiplayer modification, you automatically agree to all the terms and conditions listed below

1. You must own a legitimate copy of Grand Theft Auto V on PC to play alt:V.
2. alt:V is provided on an "as-is" basis. Warranty is not provided for any products of alt:V.
3. The altMP Team accepts no liability for any damages caused by alt:V or misuse of it.
4. alt:V and its binaries, either partly or in its entirety, may not be copied, redistributed, sold, rented or leased without written permission from the altMP Team.
5. Custom launchers are only allowed if they are not advertised in alt:V and the server isn't listed on the masterlist.
6. Custom launchers must be open source and this version must be distributed to the user. The source code must be compilable and runnable.
7. A custom launcher classifies as a software application compiled into an executable format that provides the means to connect to servers in a different method than is traditionally done through only software and services provided by alt:V.
8. Creating and/or distributing derivative works of alt:V either partly or in its entirety is strictly forbidden.
9. alt:V is not to be used for any illegal purposes.
10. The altMP Team reserves the right to edit, modify, create or delete these terms and conditions at any time without prior notice.

## alt:V Multiplayer

### Server Agreement

alt:V Multiplayer developed by altMP Team, henceforth and also known as "alt:V", is a multiplayer modification that offers end users the possibility to play Grand Theft Auto, also known as "GTA V", on custom dedicated servers utilizing custom built gamemodes. By hosting a server for the aforementioned modification, you automatically agree to all the terms and conditions listed below.

1. The altMP Team accepts no liability for any attacks on your server and/or community as a result of being listed publicly on our masterlist.
2. The privacy of all parties, such as but not limited to, players and server providers, may not be breached at any time. Any breach must be reported to the altMP Team.
3. If you are displaying a player count for your server, it may only contain human players and must include a timestamp of the last update for the player count.
4. It's not allowed to use the alt prefix in your project or server name.
5. It's not allowed to use the names "alt:V Multiplayer", "alt:V", "altMP" or the logos in a way the user can think your server is associated with alt:V or the altMP Team.
6. It's not allowed to threaten, sabotage or perform any other illegal activity towards other communities or individuals within alt:V.
7. The altMP Team reserves the right to edit, modify, create or delete these terms and conditions at any time without prior notice.

## alt:V Multiplayer

### Monetization Agreement

alt:V Multiplayer developed by altMP Team, henceforth and also known as "alt:V", is a multiplayer modification that offers end users the possibility to play Grand Theft Auto, also known as "GTA V" on custom dedicated servers utilizing custom built gamemodes. By hosting a server for the aforementioned modification, you automatically agree to all the terms and conditions listed below.

1. Charging for hosting of alt:V servers or other alt:V services without the permission of the altMP team is forbidden.
2. It's only allowed to monetize content, you have the rights for.
3. Resale of Rockstar Games assets in GTA V is strictly prohibited as mentioned in the Rockstar Games End User License Agreement (<https://www.rockstargames.com/eula>). This applies to any Virtual Goods or Virtual Currency that is in GTA V game itself, and not for Virtual Goods or Currencies used through alt:V services.
4. Monetization of data gained from any server hosting, server self-hosting, or player data in general is strictly prohibited.
5. Using a player's hardware for malicious purposes including monetization without clear consent is strictly prohibited.
6. The altMP Team reserves the right to edit, modify, create or delete these terms and conditions at any time without prior notice.

## alt:V Multiplayer

### Third-Party Agreement

alt:V Multiplayer developed by altMP Team, henceforth and also known as "alt:V", is a multiplayer modification that offers end users the possibility to play Grand Theft Auto, also known as "GTA V", on custom dedicated servers utilizing custom built gamemodes. By using this multiplayer modification, you automatically agree to all the terms and conditions listed below.

1. Custom launchers are only allowed if they are not advertised in alt:V and the server isn't listed on the masterlist.
2. Custom launchers must be open source and this version must be distributed to the user. The source code must be compilable and runnable.
3. A custom launcher classifies as a software application compiled into an executable format that provides the means to connect to servers in a different method than is traditionally done through only software and services provided by alt:V.
4. The altMP Team reserves the right to edit, modify, create or delete these terms and conditions at any time without prior notice
